

All Call 3/11/09

This Friday, March 13th is the end of trimester 2 and a half day for students. The student day will run from 7:37 to 10:31. Our students will be taking an “All School Write” at this time and we would encourage them all to be in attendance for this important activity. Grades will be uploaded to Skyward on the morning of March 20th and hard copies of the report cards will go home with your students on March 27.

Also, next Wednesday, March 18 will be an early release day for the middle schools rather than a late start due to high school WASL testing. The student day will be from 7:37 AM to 12:01 PM. There will be no activity buses that day and no after school activities.

You will also find this information on our website.

Thanks
