

9/14/09 All Call

Hi. This is Corrine DeRosa, the Principal of Issaquah Middle School. I have 3 pieces of information for you today.

First, I am calling to remind you that tomorrow evening, Tuesday, September 15, Issaquah Middle School will be holding our Curriculum Night. We hope you will take the opportunity to come in to meet our staff and hear about the curriculum. The evening will begin at 6:30 PM in your child's first period class. Your child should have brought home a letter of invitation with his/her class schedule on the back. Please be sure to bring this schedule with you. We will have maps of the campus available to assist you in finding the classes and we will have leadership students available in the hallways to help guide you to the correct classrooms. The evening will begin promptly at 6:30 with a televised welcome from Mr. Adams, Ms. Mininger our Program Assistant, and me. From that point on you will follow your student's daily schedule from class to class.

I'd also like to remind everyone that students should not arrive on campus before 7:20 AM on Mondays, Tuesdays, Thursdays and Fridays and should be off campus by 2:10 unless in a supervised activity. Wednesdays drop off should be after 9:30 and pick up by 2:30. If you plan to pick up your student after an activity, please arrive on time. For safety reasons, we want our students supervised at all times and appreciate your help in getting our coaches and teachers home to their families at a reasonable time.

Finally, if you drop off or pick up your student by car, be sure to always use the drop off lane only and ask your child to exit from the passenger side of the car. Please do not drop students off from a parking space or from the drive through lane. If you would like to see a flow map of the drop off and pick up zones, you'll find one on our website under the category "General Information."
