

I'm calling to remind you that mid-trimester grades will be available on Family Access on Friday, October 17. Any students who currently have Ds or Fs in any classes will receive a hard copy of their mid-tri reports in the mail. If you do not have access to a computer and would like a hard copy of your student's mid-tri report, please call our registrar, Joni Apman at 425-837-6818.

Because there are only 6 weeks left in the trimester, I'd like to remind families of 8th graders that students must have passed at least 11 of their 12 core class credits to be able to attend the 8th grade promotion ceremony in June. If your child is in danger of failing please remind him/her there is still time in the trimester to work hard and bring up those grades. You will find our promotion policy in the student handbook.
