

All Call 9/22/08

I'm calling to remind you that IMS Curriculum night is this coming Thursday, September 25 at 6:30 PM. The evening is for adults only. Your student will be bringing a copy of his/her class schedule home to you tonight. You will be following that schedule starting in 1st period. We are very limited for time, so we will begin promptly at 6:30 PM. Our parking is very limited, so please plan ahead. You can use the Community Center parking lot and Bush Street for parking once the lot is full. Please follow fire code by not parking near curbs marked in yellow or red.

On another note, our new math curriculum has a wonderful on-line support for students at home. The math teachers have asked their students to write their passwords on the front page of their planners. This is a wonderful tool for students to get more practice and help with their math.

6th grade parents, today your students will be bringing home a booklet titled, "Parents, Teens and the Law." The booklet was provided to you by our PTSA.

Finally, your student's 2007-2008 WASL scores are now available to you through Family Access. If you do not have your Family Access code, you can get that by contacting Joni Apman, our Registrar at 837-6818.
